PETITION TO WAIVE EXTENSION OF TIME FEES AND RESTART RESPONSE TIME PERIOD

Applicant's undersigned attorney filed the above captioned patent application in the United States Patent and Trademark Office on August 29, 2003. Applicants received a return postcard indicating that the application had been filed on August 29, 2003 and indicated a tentative serial number on 10/652849. After not receiving a Filing Receipt, Applicants filed a Request for Filing Receipt on December 16, 2003, a copy of which is enclosed. After still not receiving a Filing Receipt, Applicant's filed a second request for Filing Receipt on January 30, 2004, a copy of which is attached. After still not receiving anything from the Patent and Trademark Office, Applicants undersigned attorney contacted the Patent and Trademark Office and was faxed a document that purportedly showed that the Patent and Trademark Office had mailed a Filing Receipt and a Notice of Incomplete Patent Application on December 3, 2003. These documents were not received until being faxed to the undersigned's office on March 9, 2004. Since the Patent and Trademark Office failed to respond to Applicants request for Filing Receipt which, if a response had been sent, Applicants could have avoided any Extension of Time fees. However, the Patent and Trademark Office ignored Applicant's requests. Therefore, Applicants request that the Extension of Time fee in this case be waived, and that Applicant's response to the Notice of Incomplete Application be entered, and that a corrected Filing Receipt be issued.

Respectfully Submitted,

Michael B. McNeil
